

World Stitchers Print & Play Instructions

- Print all pages and cut out the cards, tokens and standees
- Fold the standees along the dotted lines
- Use your own cubes (or other tokens) as energy. You will need at least 50
- This free Print & Play is in black & white, comes with 1 module and the automa deck for solo play.
- During the Kickstarter, a full color Print & Play, including all modules and stretch goals, will be available as a pledge level for about 4\$
